Where you will be based

Community

Why we want you

We want to encourage more people to walk, wheel and cycle to and from stations in your area. This is part of our work together with the Kent Community Rail Partnership. We do this by arranging different events, projects and activities near your local stations. You can help support these in different ways. This will help promote sustainable and active travel to people in your community.

What you will be doing

- Make people in your community aware of their opportunities to cycle, wheel and walk to and from the local stations in your area
- Support with local activities, events and projects to help promote active travel

The skills you need

- N/A

What's in it for you

- Get outdoors and be active
- See the positive impact on people's abilities to travel more sustainably
- Meet and connect with people from your area, if interested
- Develop your communication and interpersonal skills from engaging with people
- Opportunity to access our online volunteering platform, where you can collect details of your activities, find events, connect with people in your area, share your volunteering stories, read Sustrans news, have access to free training and more.
